

Event Rental FAQ's:

1. Can we bring our own wine/beer/water/soda?

Nope, nada, no can do, no outside beverages are allowed. As a winery, we make our own tasty libations and we would not risk offending them by serving other beverages. We also make our own non-alcoholic beverages like our honey kombucha and a soda elixir and have water on tap.

2. But my grandparent/parent/friend hasn't tried your delicious drinks and they only drink Miller lite!

Have no fear, since we opened we have yet to find someone who doesn't like at least one of our beverages, including our Uncle Gary. And our bartenders are super talented – they can almost always find something people love!

3. But we have a special his/hers cocktail we want to serve.

Have you tried our cocktails? They're fantastic! We're even happy to create a special cocktail just for your occasion.

4. But we want to offer coffee.

We have a coffee mead that is absolutely delicious, you should give Queen's Brew'd a try!

5. Can we bring in our own food?

Absolutely. Please also bring in your own napkins, plates, cutlery, etc. We do have food available for purchase but highly recommend catering options for large parties to expedite tasty while enjoying our delicious beverages. For catering, we recommend contacting these local companies:

Fork in the Road, Toothpicks, LD's BBQ

6. Can we bring a cake/pie/triple-decker cupcake platter?

Absolutely. We can even keep it cool for you in our cooler. We do ask that you provide your own cutting & serving utensils, as well as plates & napkins for serving.

7. Can we bring decorations?

Yes, anything that can sit on a table is fair game (except glitter or confetti, we have a strict no-confetti rule here after a piñata incident). We do not permit anything to be affixed to our walls or hang from our ceiling.

8. Can we set up a tent for a large event?

Yes, if you rent our Woodland Meadow event space, you may set up a tent. All set-up and take-down must take place during the rental period and you will be responsible for arranging details with the rental company, including being present for set-up and take-down. You must also be mindful of our string lights. Any damage will be charged to the primary event holder's credit card. You must leave the event venue how you found it, including picking up trash and recycling and placing them in the bins provided.

9. Do you rent tables and chairs?

No. We have a set number of tables and chairs inside and out. If you're renting our Woodland Meadow event space and need more than 6 picnic tables to accommodate your guests outside, you must rent or bring them. These items must be moved into and out of the space during your rental window.

10. Can we play our own music?

Yes, if you rent our Woodland Meadow event space or the entire Taproom, you may play your own music. We have a wireless speaker system connected via Sonos, and you may choose your own station (Spotify) . If you have a band, they will be responsible for bringing their own PA system.

11. Do you have outdoor outlets for electric hookups?

We have outlets available but you must bring your own extension cords. Please contact us if you need a large amount of electrical power or a high wattage.

12. We're renting the Woodland Meadow event space, can we use the Hydration Station (aka outdoor bar) for drinks?

We're happy to provide you with a personal bartender for your event to pour drinks for an additional charge. You may choose up to 4 different beverages to have on tap.

Everything sound good? Perfect. We're looking forward to hosting your event! Please fill out our [event form](#) if you haven't already. Cheers!
